

TR1. Rally 2021

After two unsuccessful attempts (corona crisis) I managed to find a good location for our meeting in the Netherlands.

The TR1 meeting will take place from **Friday, August 13 to Sunday, August 15, 2021** at **motor camping 't Wit Veen in Eastermar** (www.motorcampingwitveen.nl).

Eastermar is located in the north of the Netherlands in the province of Friesland.

The motorbike campsite is located in the beautiful scenic landscape of Friesland, approximately 6 kilometers north of Drachten and 4 kilometers east of Eastermar.

A route for TomTom or Garmin can be downloaded from the above website (route Arnhem - camping 't Wit Veen).

In addition to sleeping in your own tent, you can also spend the night in a log cabin at the campsite (to be booked and paid separately, you have to arrange this with the owner of the camping yourself).

Program:

Arrival on Friday afternoon from 15.00

Friday evening a hot and cold buffet, consisting of: Noodles, fried rice, pork satay in sauce, chicken fillet in sauce, drumsticks / spareribs, different types of salad, herb butter and baguette.

Saturday morning breakfast buffet.

Saturday during the day: Tour departure approx. 10.00

Saturday evening BBQ, consisting of: Mix of at least 8 types of meat, 5 pieces per person, baguette, prepared salad, herb butter and various sauces.

Sunday morning breakfast buffet.

Including 2 nights and free drinks *) and including use of sanitary facilities (hot showers!).

End of meeting: Sunday 12.00.

*) Beer, wine, soft drinks, coffee and tea.

Other alcoholic beverages are allowed but must bring your own.

There is the possibility to come earlier and/or stay longer, you have to arrange this with the owner of the camping yourself.

If you are coming, please indicate this by email to me (makail.vanveen@gmail.com) before August 6, stating the name(s) and number of people (this in connection with the catering).

The target price for the entire weekend is **Euro 110**.

If due to the corona circumstances it is not possible for the meeting to take place, I will let you know via the TR1 forum as soon as possible.
